I have just learned through friends of the passing away of P'tit Pit . I'm feeling so saddened to hear of the shocking news. Pit and I were neighbours in LaCorey during our youths, hence the camaraderie and friendship we developed until destiny took its course.

To his dear family, "I know that words can't take away the pain that you're currently feeling, but just rest assured that P'tit Pit will remain in my thoughts forever."

May my condolences bring you comfort and my prayers ease your pain.

“ We were so saddened to hear the news of JJ's passing, but rejoice knowing he is with his Lord & Savior; Jesus Christ!

Lakeview Gospel Centre, Bonnyville is where we became most acquainted with JJ & Shirley with their boys. Such wise & Godly examples they were to us, as we raised our two boys. We will forever remember their faithful examples of true born again believers.

Our thoughts & prayers are with you Shirley & your family as you grieve the loss of JJ. May the holy spirit comfort you in the days, weeks & months ahead.

“ Dear Shirley, You are in my thoughts and prayers. May you be comforted by family and friends that surround you at Pit’s celebration of life. Please know that many will be watching the service for Pit online and praying for you and your family. When I talked to people about the passing of Pit they always had great things to say about him. The prominent comments were what a gentleman he was and such a kind person with a calm disposition. Today one of the memories I have is your skating rink I skated on with others when you and Pit lived in the yellow house between Iron River and LaCorey. So sorry for your loss. Love, hugs, and prayers - from Betty.
