“ I was very saddened to hear of Jean's passing. She and I worked together for a number of years in the 80's at the Alberta Children's Hospital and enjoyed a good working relationship. She was very dedicated to the needs and welfare of children. To her family and friends I would like to express my sincerest condolences. Ann Bonham

“ I did not see Jean very often, but when I did it was very memorable, the last time I saw her was a few years ago when myself Mum and Dad came over to Canada for visit, she made it an adventure, we travel from Calgary to Jasper by way of the Icefield Parkway, stopping to see the sights that I know Jean loved, it was a fantastic time with my family, she also travel over to England several times, always bring a smile and on one occasion she brought with her Emily, a stuffed cat from Alberta children's hospital, I loved that cat and still do, I am 33 and have to stop my daughter from playing with it as I still like to play with her. She may not have been here with us but she was and still is in our hearts

“ After a friendship of 31 years, I am so saddened at losing Jean at such an early age. Her wish was to move to Newfoundland to live out her life. She was not well enough to do that. She had wished that her ashes be scattered in the Atlantic ocean off the coast of Newfoundland and we will do that for her at the appropriate time. With love, you will be missed, Heather
