

Mrs. Jean Margaret Wood

October 2, 1931 - August 29, 2022

Jean Wood passed away peacefully on August 29, 2022, with her daughters, Deb, Donna, and Joan, at her side. She has gone to be with the love of her life, her husband of 57 years, Ron.

Mom was born in Regina and raised in Montmartre, Saskatchewan. She attended Luther College High School and graduated from Regina General Hospital School of Nursing as a Registered Nurse.

Mom and Dad began their “big adventure” in 1953. They were a true love story, and throughout their lives together they were sweethearts, best friends, fierce supporters, and trusted allies. Together they raised three girls, collaborated to build a successful business, contributed to their community, and shared an active social life filled with friends and laughter.

Mom was a loving mother, mother-in-law, grandmother, and great-grandmother. She was genuinely interested in our lives and enjoyed individual and meaningful relationships with each of us. Throughout her life, her actions set an example for us about the importance of kindness, empathy, strength, and perseverance.

Everybody loved our Mom. She was outgoing, friendly, and socially gracious. Mom was a kind and loyal friend and she was lots of fun, with a wonderful

sense of humor. Her care and compassion for people was endless and she truly made this world a better place.

We would like to sincerely thank the staff at Tudor Manor for taking such good care of our sweet Mom – you are truly remarkable.

We will miss you dearly Mom but know that Pop found a house for you, and you are together again. Thank you, Mom. Remember we love you.

At Jean's request, there will be no service.

In lieu of flowers, donations can be made in Jean's name to: Tudor Manor Recreation Program, 200 Sandstone Dr., Okotoks AB T1S 1R1.

Caring for the family is Lyle Reeves Funerals of High River (Craig Snodgrass) 403.652.4242.

“ Your Mom was one of my dear friends and neighbours while I lived in High River. I guess because we were both Saskatchewan girls we instantly bonded and became great friends. I moved to BC for four years and when I returned, I couldn't find her, only recently found out she was in Okotoks. Why didn't I go and see her??? Please accept my deepest condolences to all on a life well lived and a dear friend to all.
