

## Mrs. Jeanne Terese Frigon

December 23, 1926 - August 2, 2022

After a brief illness, our remarkable and precious mother, grandmother, and great-grandmother joined her beloved husband, Gerard, on Tuesday, August 2, 2022.

Jeanne is survived by daughters Lorraine (Duane) McGinnis, Dolores (Richard) Coutts, and Susan Hansen; son Guy (Judy) Frigon; grandchildren Travis (Tanya), Sean, Calyn (Steve), Alyssa (Bryce), Joelle and Michael; and great-grandchildren Trestan, Teigan, Mason, Aiden, Rowan, Maevyn, and Cru.

Jeanne was our rock and firm anchor in life. We learned from her courage, creativity, strength, and wise counsel. She taught us that joy truly is a choice.

She was our family historian, with a lifelong love of learning and reading in areas such as: botany, biology, history, psychology, art, music, and theatre. She was an amazing spirit and inspiring role model for her love of family and faith in life. Always generous, thoughtful, wise, kind, and up for an adventure. She remained independent and quick minded with an adorable sense of humour, all needed skills as the youngest daughter in a family of ten children.

Born in Picardville, Alberta in 1926, she helped her family on their homestead farm. She was the only child of the family to obtain an advanced education. She highly valued education and passed that love of learning on to her

children, grandchildren, and great-grandchildren. She never lost her love of gardening and continuously developed her skills.

Beloved by all who knew her. She is greatly loved and missed.

Caring for the family is Lyle Reeves Funerals of High River (Craig Snodgrass)

“ *Although I didn't know your mom well, I fondly remember all of you, her children, from High School days. I saw the obituary in the Okotoks Western Wheel, and wanted to extend compassionate condolences to all of you. It is difficult losing a parent. Warmly, Joanne (Wasylenko) Mercier*

We, Priscilla, Jim and I are so thankful to have stopped in Okotoks to visit with dear Aunt Jean. I personally had not seen her for at least 20 years. We had such a happy conversation. Adele

She is the one who picked me up with the horse and buggy when I started school! Then we went to the convent at the same time and she always watched over me. She was a very special Aunt!!
