“ This has come as a great shock to me. I'm so sad to hear the world has lost such an amazing person. A protector, a friend and always a shoulder to lean on. We lost touch long ago but the grief is still so great. My prayers are with your family during this difficult time. I believe he'll be around always looking down on his son and still caring for the ones he loves.

“ Bonnie and Neil, our hearts and prayers go out to you and the family. In no way can we feel your pain, we offer prayers in hopes to ease the pain over time. We want to share this little quote from my Dad " if I don't see you here I will see you there!" All we can do is strive to be as good as our lost family to make to there... someday.

“ Neil & Family... Jeff was a great person. I remember the summer Saturday mornings when he would climb into my front end loader while working with BFI. He was always having a good time and smiling. I'm gonna cherish those memories. Pamela & I are here if you need anything. Prayers with you and his family.

“ Bonnie, Neil, Lisa, Darien and family - thinking of you in this time of great sorrow - my heart breaks for all of you. He was a good man, a devoted father and he will be deeply missed. He made his parents proud. Take the time to grieve - take the time to heal - treasure your memories. He did indeed have a sparkle that will be remembered.
