“ Dear Groenwold family
We, the Bruinsma family left for Ont . In Feb. 1957 I was a child nearing 11 at the time.
We came to Okotoks in 51. In that 6 year stay your parents sure were a blessing to us.
Your dad and ours had a small business together .they shared what ever they had joy and problem.m Your mom was always there to help out , many cups of tea and coffee were shared . Still thank God for putting Bert and Jenny on our path.

“ *My heart felt condolence to the Groenwold family in the passing away of your mother. May the love of God, in whom she trusted, give you peace hope at this time of sorrow. I will always remember her as caring, loving lady with a very positive outlook on life. Even in her early days in this country in times stress she would smile and give hope to all around. May God be with you all tomorrow as you lay her to rest and also in the future. We have fond memories.*

“ *For many years I had the pleasure of having Jennie as a neighbour. I was amazed at her physical strength as she would shovel mounds of snow off her large balcony, easily lifting it over the railing, doing so well into her eighties. In typical Duch fashion, she would be out there sweeping and polishing windows. If our garage door had been left open at night, she would kindly call and let us know. I really missed her when she moved to Black Diamond. Jennie didn't say a lot but she always glowed when she told me her family was coming to visit. I know she loved you very much and that she will be missed. My condolences to her family.*
