“Joan was my cousin (her father and mine were step brothers) and I'm sorry for your loss. We lost touch many years ago but I have fond childhood memories of your family. I just heard about her passing at a Glencoe from a "fan", Joyce T who also had fond memories of my mother Phyllis Mintoft. Sincerely, Kathie Mintoft Calgary

“Deepest Condolence's to you all. Joan was the nicest mom, I loved being around her. I remember before I met Linda going to the Southwood library and she talked to my class. Funny story I'm sure I was told one time when she went to the Haysboro bakery she got a donut and squished it down to make it small so it would be less fattening! What a warm kind funny caring person, honestly loved her xoxo JoAnne Rollans Connell xoxo
