

Mr. John Sydorko

January 7, 1942 - August 17, 2025

Mr. John Sydorko of High River, Alberta passed away at his home on August 17th, 2025 at the age of 83 years. John spent almost 80 years in or near his birthplace of Winnipeg Manitoba before heading out west to High River to be closer to his grandchildren. The last 3 years he came to adore living in this wonderful little Alberta town. The people here are so kind and, John being the warm happy soul that he was, everyone who met him immediately liked him.

John was a quiet simple man who never complained, was always upbeat, and this was most likely a big contributor to his longevity. His disposition prevented him from getting stressed out over anything. As long as he had some sports (particularly NASCAR) on the TV, he was more than content. As a retired long haul truck driver John was able to see so many parts of USA and Canada. He was definitely an explorer at heart. His curiosity was endless. He had a deep respect for our veterans, as well as a unique interest in airplanes, farm equipment, animals and, of course, cars. He was very fond of his Army green Jeep, which he called "the Willys", and one of his recent proud moments was being asked to drive in the Veteran's Day parade in town.

John passed peacefully in his home, which he called his "little cabin in the mountains". He will be missed by his remaining family out in London Ontario, his son Craig and extended family in Winnipeg, his son Darren and neighbors in High River, as well as his grandchildren Jordan and Sophia in Calgary.

John's wife Camille passed in 2012.

There will be a small private tribute to John, a celebration of his amazing life, Saturday August 30 in High River. To all who knew him, please say a prayer, tip a glass, or do as you see fit to bid him farewell.

Caring for the family is Lyle Reeves Funerals of High River (403.652.4242).

Tribute Wall

NB

“ John was more than just a long-time driver at Searcy Trucking—he was the kind of person everyone respected and admired. A truly fantastic driver and an even better human being, John carried himself with quiet professionalism and unwavering integrity. No one ever had a bad word to say about him, and that speaks volumes. He left a lasting impression on all of us, and his legacy will always be part of the Searcy story.

Rest easy, John. You'll be missed, but never forgotten.
