

Mrs. Josefa Ackermann

October 27, 1926 - April 25, 2020

Mrs. Josefa Ackermann of High River, Alberta passed away peacefully at the High River Hospital on April 25, 2020 at the age of 93 years with her daughter by her side. Sefa is survived by her loving husband of 59 years, Bernie; sons David (Glynis) and Stefan (Lisa); daughter Susie (Wayne); granddaughters Kaity (Tyson) and Gillian; and grandsons Marcus and Bryce. Many relatives, including her dear sister, Maria, are left to mourn her passing in Germany.

Sefa was born in Germany on October 27, 1926. After marrying Bernie in 1962, they moved to Canada where they raised their family. Sefa worked in the High River Hospital laundry department for many years where she enjoyed the laughter and good company of many special people. After retirement, Sefa returned to the hospital as a volunteer with the Recreation Therapy department, as well as delivering Meals On Wheels with Bernie.

Sefa enjoyed getting together with friends for weekly card games, family and friends' celebrations and neighbourhood get-togethers. Being around family and seeing her grandkids grow up were her fondest memories.

Sefa's family wishes to extend their heartfelt thanks to Drs. Adam and Ashref Jeeva, and to all the staff on Unit 200 at the High River Hospital for all their loving care and support of Sefa during the past two years.

In lieu of flowers, donations in Sefa's memory would be appreciated to the High River District Health Care Foundation - www.highriverhealthfoundation.c

“ Dear Bernie, Susie, Wayne & Family,
One can only dream of having such a wonderful Partner in Life, Mother and Grandmother. I was lucky enough to know Sefa over many years. She worked at the High River Hospital, along with her dashing husband Bernie. To witness the many visits Sefa's family paid her on a daily basis touched your heart. How lucky Sefa was to have such a loving family who adored her. It is a testament to the fabulous person she was.

“ *Sepha was an amazing woman. She had a life full of love from her family, harrowing years in East Germany, adapting to a new way of life, and being a wonderful Mom to their three children. Sepha was always kind, and had a lovely soft smile. She shared her birthday, October 27, with my Mom, so I always think of her then*

“ My Oma was so special to me. She was the best Oma anyone could ask for. I will always remember the summer trips down to High River, filled with Streuselkuchen, Renzi walks and trips to the Hitchin Post.

My favourite memory with Oma was when I was 5 and my sister was 8, Oma and Opa took us on a road trip to Fairmont Hot Springs in their RV. They let me spend the entire day in the pool all by myself! Something that my parents never would have allowed! It was something that was so special to me, I remember feeling so grown up and independent. I couldn't wait to tell my mom that what my Oma let me do! 25 years later and I still smile about that memory. I will miss my Oma so much and look forward to when our family and her friends can get together to celebrate her.
