

Mrs. June Marion Duxbury

July 21, 1929 - September 10, 2020

Mrs. June Duxbury of High River, Alberta passed away peacefully at the High River Hospital on September 10, 2020 at the age of 91 years. June is survived by her children, son Jim, daughters Cheryl (Michael) and Coral, daughter-in-law Carol and son-in-law Roy, as well as her brother Perry (Betty). She will be greatly missed by her nine grandchildren and thirteen great grandchildren. June will also be missed by her dear friend, Hazel, as well as many other family and friends.

June was predeceased by her beloved husband James, as well as her mother and father, Perry "Pat" and Joyce Hammond.

June was born and raised in Calgary, AB. At the age of 17, June was the Alberta Highland Dance Champion, a title she held for several years. Later she met and married her husband Jim, and started a family. In 1969, Jim and June moved their family south of High River where they owned and operated a poultry farm. Upon retiring they settled in High River where June became very involved in Genealogy, and spent much time helping families trace their roots. June was an avid bowler and enjoyed many hours at the High River Bowling Alley. On the weekends, June could be found at one of her grandchildren's (or great grandchildren's) events, enthusiastically cheering them on. In later years June resided at Seasons Retirement Home in High River, where she enjoyed bingo and afternoon sing-a-longs.

The family would like to thank the Seasons Retirement Home and the High River Hospital Emergency Staff for their outstanding care and compassion towards June and her family. In lieu of flowers, please send donations to the High River & District Hospital Foundation www.highriverhospitalfoundation.ca .

A Graveside Service was held on Friday, September 18, 2020 at 1:00 p.m. at the Highwood Cemetery in High River. Please bring a lawn chair.

“ *I remember June and Jim from when I was very young. June's dad (my great uncle Pat was my favorite Uncle. I last saw him 29 years ago, and won't forget our conversation. He sat down and had a heart to heart with me when I was suddenly single and pregnant with my son. He said don't worry everything will work out, just you watch. And he patted my hand and said to not shed anymore tears for my broken heart. I remember that conversation so well. June and Jim lived briefly in BC, where the visits to my Mom (sheila) was always looked forward too by all of our family. I remember June always had a big smile and was very kind. It's been 30 years since our last visit and either our family was closer. But the time we did spend as family was a time in my childhood I fondly remember. Condolences to the family.*
