“ My last visit with Gram June is a cherished memory I will always carry around with me. She was only awake for a short time and her words barely a whisper. We had a precious 15 minute visit. I told her I loved her so and goodbye. Her reponse with wet eyes was...we are not saying goodbye, it's never goobye Anje, its until we meet again. She was gracious, even witty and very much present. I believe she left this world feeling all the love & warmth of her entire family. Her legacy of love will be part of everyone she loved. She was an amazing person & my Gram.

“ I was fortunate enough to be able to see Grandma June shortly before she passed, and we shared a special moment I will never forget. Her voice was frail, and she drifted in and out of consciousness, but when she was awake, she was present and aware and as gracious as she always was. She was a great example of a strong, sweet, funny, and loving person - our family was so lucky to have her at the center.

“ I have so many fond memories of my Grandma June, and Grandpa Curly and the farm near Herronton. Grandma June always welcomed family gatherings whether it was Thanksgiving, Christmas or a wedding in the backyard. She was the matriarch of our family. I believe she lived her life even to the day of her passing with dignity, independence, pride, and strong sense of family. I always admired my Grandmother for those qualities. Although I did not say it often enough, I loved her and I will miss her.
