“ Karen and I became best friends while in junior high at Red Deer Lake School. We had a LOT of fun together - Karen was always up for something crazy! I have great memories of spending time at the Hill home near Priddis - playing cards, riding snowmobiles and horses, weeding her Mom's huge garden and listening to Cheap Trick on her brothers' stereo. Those were the days!

We stayed great friends for several years as adults but eventually life took us in different directions and we lost touch. But I will never forget the little fireball who was my best friend and confidante for all those years! I love you friend!
