“ To Lori, Glen, Dale, Austin, Donnie, Billie, Ronnie, and all your families: I am so sorry to hear that my cousin Karon has passed away. She was a gentle, quiet, and kind soul. We had such a nice visit at the last Irving family reunion a few years ago, and I was hoping to see her again at another one. I remember Karon most from when we were children at Aunt Tiny and uncle Tommy's place in Okotoks, of which I have many fond memories. My comforting thoughts are that she is now reunited in heaven with Tiny and Tommy, who I still miss and still think of alot. Rest in peace Karon.

“ So sorry to hear of Karon's death. Our families grew up together and our parents often visited back and forth. One thing I loved about Karon was her instant smile. She always had a smile to share whenever I saw her. Our condolences to Karon's immediate family and to all her brothers and families.

“ My condolences go out to the family. I was so looking forward to re-connecting with Karon when I move back to Okotoks this month. We had such fun as kids and teenagers. Dixie and I talk about our escapades with Karon a lot as we reminisce our youth. Rest in peace Karon.
