“ Ken was so kind and friendly, always upbeat. He was so tolerant of all our youthful shenanigans, and had a good sense of humour about it. I remember when I was a teenager I worked at Hi-Ho, when I had to open early morning Ken often arrived before me. While I set up the store Ken made coffee and got the whole station ready for the other regulars. Even when I insisted he wouldnt consider giving up the task. You & I have him to thank for keeping us in touch when life took us in other directions. Ken was ever the optomist, always keen to engage and truly listen to someone. I will miss his big smile and sweet laugh. Ken was one of the very best!

“ I have so many great memories of my brother Ken & Ev growing up. Being 3 years older never showed we seemed like triplets. Ken was such a gentle soul and although he liked to get into mischief he was seldom caught. My memories of Sylvan Lake will be with me always. Ken on the diving board especially, teeth chattering like crazy. Ken was especially kind and caring for me with my health issues this last year. Ken was remarkable with how he never complained and always remained positive and he encouraged me to do the same. We talked on the phone almost every day these last few months and I will remember these chats forever. Love you Ken your brother George
