In Loving Memory of Kimble Kirschner

On Friday, November 7th, 2025 our hearts were shattered as we said goodbye to an extraordinary man, Kimble Kirschner. He was the most amazing husband, a true hero of a father, and a proud, loving Papa. Kimble made a memorable mark on everyone he met. His intelligence, kindness, and gentle nature touched countless lives, and his warmth made every person feel seen and valued. He had a rare way of brightening any room, of making the world better simply by being in it.

He was deeply loved and will be profoundly missed, but his legacy of love, strength, and compassion will live on in all of us who were lucky enough to know him.

A Celebration of Kimble's Life will be held at a later date.

“ I am so sorry to hear of Kimble's passing. Unfortunately, I was not aware of this until this morning. Our sincerest condolences to his wife & family. Kimble lived behind us in the mid 70's in West Lorne after which we relocated to Alberta. It was only a year or so ago that I found out that once again we were in close proximity since we are located just north of the Bow in Wheatland Cnty. We are so very saddened by this news. Rest in peace Kimble.

“ Our sincere condolences to Roxanne and family. Kimble was a great craftsman with a great sense of humour, but most of all a great person. He was so very generous with his time and talents. As he would say.....Thats what neighbours do! It was an honour and pleasure to get to know him while we lived on Kintyre line North of Rodney, Ontario. May he Rest in Peace.

“ Roxy and family our hearts break for you. Kimble was one of the kindest humans we've ever met. We couldn't have asked for a better neighbour. His encouragement of the yard project meant so much and we will miss the late night chats across the driveway discussing the stars. Rest easy Kimble and know that you left a legacy of kindness that will not be forgotten.
