

Kirby James Herr

September 21, 1965 - December 21, 2012

Kirby showed us all how to live life abundantly, and his presence will be forever missed. This joyful, fun-loving, clever, hilarious, generous, athletic, and well-travelled man made all of our lives richer. From his activity-filled childhood in SK to memorable home parties in High River, from golf courses to the family cabin at Greig Lake, he left an indelible mark. Kirby was a husband, son, brother, uncle, and friend extraordinaire. Left to remember him with greatest love are his wife and true love, Laurel; his parents, Jim and Helen Herr; his sisters Heather Rutz (Rob), Shelley Leedahll (Greg), Crystal Herrod (Warren), and brother Ron Meetoos (Elisabeth). He was a favourite among nephews and nieces Logan, Taylor (Megan), Landis (Amanda), Tanner, Jacquelyn (Damen), Brandon (Heidi), Jenna, Kyara, Eli, Xander and Abi; and great nephews and nieces Leah, Ashlynn, Reid, Annika and Nash. Laurel's parents, Bill and Karen Cecil; sister Val (Derek); and brother Chris (Amy) cherish his memory. Kirby's brother-in-law, Troy Leedahll; sister-in-law, Susanna Meetoos; aunt Doreen Friesen (Irvin) and Laurel's extended family will also miss this unforgettable man. Kirby was blessed with a gift for friendship and he treasured each friend dearly. He was born in Kyle, SK and spent much of his childhood in Meadow Lake. He studied at the U of S and lived in England before settling in High River in 1989 and pursuing successful careers in sales – first auto, then real estate. After Kirby's Dec. 2005 diagnosis of cancer (from asbestos exposure in childhood), a team of surgeons, physicians, and nurses helped extend his time years beyond expectation, but

his primary caregiver has always been Laurel, his “Lolly”. Kirby accepted his diagnosis from the outset with dignity and courage. He recently comforted his father with: “It’s okay, Dad. I’ve had a good run.” Deepest thanks to Dr. Ashref Jeeva for care and compassion over the last 7 years; the High River Emergency Dept. for excellent care; Dr. Walley Temple and Dr. Don Morris at Tom Baker Cancer Centre for the special attention; Dr. Ron Spice and the Rural Palliative Team for the prompt response and guidance; Sandy Hall for compassion during Kirby’s last 4 days; and Craig Snodgrass (Lyle Reeves Funerals) for the personal service. Donations to the Rural Palliative Team (Calgary Zone) or the High River Hospital Foundation are welcomed. Kirby will be happy to connect with Marvin Gaye, grandparents, and Gunner the dog. We love you Kirby. Cheers. A Celebration of Kirby’s Life was held at the Highwood Memorial Centre, 128 - 5 Avenue W, High River, AB, Saturday, Dec. 29th at 2:00 P.M. “ To Laurel and Kirby's family
I met Kirby when I went to work at High River Honda so many years ago. I had the pleasure of working with him for almost 5 years. Kirby was one of a kind....that winning smile was always shared and some days you just knew he was going to do something to cause a stir....it was usually something that made us all laugh. He brought his "A" game to everyday of life and his energy was contagious. His love of friends and family was always right there....you knew you had a friend. We have been friends ever since...whether I saw him every day or once a year, Kirby had that big smile and a hug...he never forgot a birthday...always got the call or email. He will be so missed but it was such a privilege to know him for all these years and to have his friendship. He has left so much to so many. A life so well lived but much to short. There will be great golf tournaments in heaven these days for sure. He was a special man.

Thank you to everyone that made Kirby's celebration such a memorable day. I couldn't have done it without each and every one of you. He would have been proud of us for coming together to remember what a great person he was. We did him justice! It's been very difficult to start a new year without him, but he is in my heart forever. I miss you baby! You are "still the one". Love, Laurel.

Lyle Reeves Funerals - December 30, 2012 at 10:12 AM

“ Just got back from High river after a wonderful tribute to a fantastic man. I grew up in a nearby town to Kirby in Northern Sask., we were fierce hockey competitors and quite frankly I didn't care for him. That all changed in the fall of 83 at the Uof S when we met at an Econ class and were soon fast friends. After a few years of that and an abundance of fun we realized school was not for us we headed to England. Once there we decided that these Brits needed to be introduced to the art of "bellybucking". One particular night the under sized challenger (Kirby) got a little overagressive and miscalculated his jump and went head first in to a lower than expected door jam. Lights out for Kirby and a story I never let him forget. Although we never travelled together again I'm sure our love of travel started during that trip in 86. As our lives went in different directions in the late eighties our visits became fewer but never less fun. We started a golf tourney in Saskatoon in 89 for our buddy Dave Puszkarenko who had lost a battle with cancer. Kirby said I'm there Donny and I'm bringin' the trophy. After a closer examination of the recycled trophy, low and behold I notice some inscription on the first years winner plate. In small little letters were inscribed Kirby Herr and Chi Chi Rodrigez. Great laughs!!!!. I'm glad to see Kirby was so loved in High River and would frankly have been shocked to see anything but. As we rode back to Saskatoon tonight with long time friends Dean and Carol Wilyman and Scott Donald we shared a few tears and about 6 hours of good hard belly laughs rememberin Kirb . Pal, I shed more than my share of tears today but soon I will remember you for the rest of my life with only laughter as I know thats how you would want it. In closing I would ask Kirby how he was really doing during his issues and his answer was " Donny I've found my soulmate and life is great." Thanks Laurel for being with and there for Kirb throughout this journey and my thoughts are with you.

God speed Kirby and see you on the other side !!!!!

“ Hugs with Condolences and love go out to the Herr family.. and especially Kirbys Angel Laurel.. I have known Kirby for 15 years . I met him the day I started in to Real Estate. He scared the hell out of me.. !!! Kirby beleived in professionalism, honesty, caring, good business and a good dress code!!! :) (bare feet in the office was not acceptable, and neither was the young guys parking in Rae's spot at the office!!) I learned alot from him and he helped me with my very first deal... He got me rolling and helped me through it and in the way it was supposed to be... There I learned from the Very best. Kirby took his job serious and is someone everyone looked up to.. I sure did .. !! I could go on.. but all I want to say is that he is going to be missed terribly.. and I wish you the biggest, kick ass golf course in the sky , with greens so green, water so warm and clear, sun shine forever , good music and lots of delicious ceasars!!! So sad to see .. and yet so amazing of a man to think so positive and remain with pride and a dignity. He is a king in my books.. will miss you Kirby Herr...you imprinted my life and I thank you... oxoxoxoxox

“ *Laurel, Jim, Helen and the rest of the Herr Family,*

My deepest condolences on the loss of Kirby. I returned to Saskatchewan 20 years ago and an unfortunate consequence was not seeing Kirby as often as I should because it was always fun and we were good friends for a quite a few years.

Since hearing of his passing, I have had many spontaneous smiles and laughter when thinking of Kirby and our adventures. Every encounter with Kirby had the potential of being a lifetime memory and most of them were.

The golf, roadtrips, playing dominoes and porkers, Rider games at McMahan, the fear of being his doubles tennis partner (his serve was hard, wild and really stung), corn dogs, a trip to Craven, breakaways on our own goalie, singing back-up for any woman at karaoke brave enough to sing Aretha, and of course when he fed us dog treats telling us it was beef jerky (some guys liked it) - all those memories have brought me joy at a time of sadness.

Kirby Cairo, Herbie Kerr, you were a unique fellow and a joy to be around. I always think of you when hearing Marvin Gaye and always will.

I was looking for a new lawn mower so Kirby arrived at my house and did a demo with a honda lawn mower (think that happens anymore)I bought it and my son still uses it today...that is quality and that is Kirby, a quality guy. Will miss the humor on the golf course, but I will always have the memories of Kirby. Goodbye my friend.

“ One of Kirby's favorite Frank Sinatra songs was Bim Bam Baby that he'd sent me years ago, he used to sing it from time to time. He knew the words to many but this one stands out. Kirby was a great guy, strong in principle and character. Dedicated and loving friend and family man. Frugal in business practice but never hesitated to pick up a tab or share what he had.
