

Ms. Kyla Dawn Boruck

January 20, 1975 - April 3, 2025

It is with sad hearts that we announce Kyla Dawn Boruck took her final bow.

Kyla was born January 20, 1975, and passed away April 3, 2025. Kyla is the second child of Coyne and Donna Callison. She is predeceased by her father and sister Cody. She is survived by her son Quinn Boruck, Quinn's dad Gary Boruck; her mother Donna Callison (Burles); sister Diona Callison (Gregg); brother Chance Callison (April); nephew Cody Callison and nieces Autumn Callison and Brooke Bruinsma; Aunt Cheryle Gardner (Callison) her second mom and second dad Bob Gardner (deceased).

Kyla had a larger-than-life personality. Her love of helping people with insurance and her loyalty to her friends and family were the glue that connected us all. Kyla was a very proud and loving mom. She also loved her nieces and nephew and spent many fun moments dancing and singing in Momma's Kitchen, teaching them dance moves no-one should ever try!

Her passion for music, her joy in friendship and her high, wild and free spirit is something we will cherish forever and will be sorely missed.

The family extends heartfelt gratitude to the compassionate staff, nurses and doctors of the South Health Campus for their care and kindness.

A Celebration of Kyla's Life will be held on Saturday, May 3rd at 2:00 p.m. the Highwood Golf & Country Club in High River.

Caring for the family is Lyle Reeves Funerals of High River (Craig Snodgrass) 403.652.4242.

“ We were so saddened to hear of Kyla's passing. She was more than just a business acquaintance, she became like family after the tragic loss of my parents in 2015. She stepped up to help me with the transition of taking over their business and was a part in keeping it moving smoothly at a time when I was overwhelmed and unsure. Her positive and nurturing nature gave me a soft place to land and helped to lift some of the burden to move forward. We always looked forward to our "yearly" account visits and enjoyed catching up with her and sharing memories of my parents and their shared love of music. She also gave the BEST hugs! Our sincerest condolences to all of her family and friends on this deep loss.

“ My heart hurts for you all, family and friends. Most of my memories are old, Fort Nelson days. I remember how dad’s eyes would lite up seeing those kids. Their big smiles and sparkling blue eyes....and all were a little wild. If there is an afterlife, I hope they are all Yodeling and singing together. ❤️ (love, Uncle Dave’s family)

“ Kyla, I am so sad that I won't get to see or hug you again. I will always cherish the years we lived together and the laughs and mischief we shared. It does give me a sense of calm knowing you were greeted by Cody and the rest of your musical family. You all are probably having the best guitar picking and singing jam. Until we meet again 💕 I love you 💕

Donna, Diona, Chancie and Quinn. Sending you all my love. My relationship with Kyla and your whole family has shaped my entire life. I have so many beautiful memories of you all, and especially Kyla - it was an easy bond because of age and circumstance. I can always picture so perfectly the girls on the stairs in the cabin at camp singing their hearts out, exploring by the river and poking maggot filled fish with sticks, and riding a skidoo to your house to whatever party was happening and getting to be with you all. It was just such a great childhood with you. I love you all and I'm so sorry that Kyla is gone. But she sure is in some great company. Love always from Trish Halverson
