“ *The thing I most respected about Lance is that he did his own thing in his own particular fashion and remained completely unapologetic as to who he was or how he lived his wonderful life. Lance was real in every sense of the word and there are very few of us on this earth that live our lives like that. Seeing Lance and his best buddy Charlie, cruising in that blue GMC, on their NUMERUOUS daily excursions around town is what I will truly miss. Lance was an integral component of our beautiful town and his absence is already noted....rest in peace Lance and realize how much you are missed !!!!*

“ *I remember the warm, genuine, handshake I received from you when I joined the gang in '89. Little did I realize what a great friendship would grow from that simple beginning. Will always treasure our hunting, bbq, eggs benedict disasters and just simple hangout times with Anna and you. Karen and I will sure miss you!*

“ *For a second you were flying
Like you always wanted to
Now you'll fly forever
In skies of azure blue
We'll see your smile in every ray
Of sunshine after rain
And hear the echo of your laughter
Over all the pain
The world's a little quieter now
The colors have lost their hue
The birds are singing softly
And our hearts are missing you
Each time we see a little cloud
Or a rainbow soaring high
We'll think of you and gently
Wipe a tear from our eye*

*If tears could build a stairway,
And memories a lane,
I'd walk right up to Heaven
And bring you home again.*

Lance brought so many happy memories to our lives and left us with a treasure trove of memories. We will never be able to forget him. Our hearts go out to his family and friends. Although its difficult today to see beyond the sorrow, may looking back in memory help comfort you tomorrow.

May he rest in peace, and forever watch over his loved ones. Thinking of you Anna-Marie, along with your parents, your sister, his niece and nephew, and Lance's family as well, and the many friends he has made along the way. Lance... You will be greatly missed by both Your Great Friend of many years... Dave Jordan.... He will miss you coming over to his house to watch Hockey and the Football games or just coming over for a visit.... Titan-Dog will miss you coming over to feed him... Titan would hear your truck coming down the lane and would get so excited and whine at the door waiting for you to enter the door..... I Cheryl was glad to say that You were a Friend to me..... the memory of You gettin me to get in the river and swim will always be in the back of my mind !! We will miss the Happy Gatherings at the river and You organizing the Suppers and the "yummy" deep fried turkeys !! All Your Friends will have and keep the Happy Memories of You Lance and when We ALL go down to Pebble Beach... We will set out a lawn chair for you.....:-)..... Rest In Peace Our Dear Friend !!!!
