“ Larry & I met almost 40 years ago in the spring of '76. He became one of my dearest friends, standing beside me through thick and thin, always ready to lend a hand. It is impossible to count the hours we spent working on the farm, buying & selling at auctions, 10 years of running the Okotoks Gun Show, shooting at the gun club & the hundreds of gun shows to name only a few. The companionship & friendship he gave so willingly to me & my whole family will never be forgotten.

*May your coffee always be full & hot, may your powder always be dry.*

*Rest in Peace, my friend.*
