“ *Larry was my grandfather. Before he married Marion we used to go skiing and he was always the slowest of the group. I would stay with him so he wasn't alone. Rest in peace Larry, may you forever see the truth. You were truly a happy addition to our family.*

“ *Larry & Marion were our neighbours for many years when we moved to our acreage and we had great times getting together, sometimes even going on camping trips together. After they relocated to High River we remained good friends. Larry was a true gem. He always had a smile to greet you and a wonderful sense of humour. He will be truly missed and we were blessed having him as a friend. God speed Larry. Love Bruce, Christine, Bryce and Ian Hay*

“ *Larry was a wonderful neighbour and a great friend. We spent many hours together playing canasta, enjoying happy hour or just visiting with him and Marion. He always snuck our pups pretzels under the table and they sure loved him for it. Our grandchildren loved visiting with him and he often had a treat for them too. We will miss you no end Larry. Rest in peace. Love Brian and Anne and family.*
