“ Pearl and I send our condolences to Frankie and Larry's family. In
Sept. 1946 Larry and I started grade one together in Gull Lake,
Sask. We enjoyed fond memories of our 12 years of school
together. Larry was a great friend all these years with some
memorable events after retirement including, "Gull Lake coffee", a
trip to a Gull Lake reunion and working together after the High River
flood. Larry was always upbeat and we laughed over the same old
jokes and shared memories. I will miss him and his courage,
strength and good humour through life's struggles and also the
good times. Rest In peace good friend.

“ Frankie and family, very sorry to read the Herald today. Larry was a good golf, curling and coffee buddy, and a great friend. Fun, funny, and a storyteller. Admired for courage and a big gentle soul he tried to hide under a scrappy exterior. We're gonna miss him.
