“ Richard, Angie, Cindy Greg and spouses, grandkids and great grandkids, sisters, brothers and extended family. So sorry to hear of the sudden passing of Laura. Always, always took the time to talk, share a chuckle or two and usually left you with a little advice. Lots of memories and a true legacy. Laura always told it like it was and never beat around the bush. I liked that about her. She will be missed by many, and will never be forgotten. Heaven gained another angel. Take care of each other and talk of her often. R.I. P. Laura. Godspeed. ❤️

“ Laura and my dad found a great friendship together and our family was blessed with her presence, wit and colourful charm. We spent great quality time in Cabo San Lucas enjoying sun, sand, drinks and a whole lot of psycho babble (which translates into great conversation) . She had an awesome exuberance for life and her family meant everything! May Laura Rest In Peace and be joined by the love of her life ‘Wally’ who she spoke so often about. My deepest condolences to all the family on your tremendous loss.
