*My deepest condolence to Alice, Paul, Linda, Irene, Christine & families. Leonard was an amazing friend & associate, of all who knew him. His big smile & hearty laugh, were always present when visiting with him, & he always had great stories to tell, about the many endeavors he had pursued in his life. Quick to help, & offer advice on the many different lessons he had learned, & very knowledgeable on many different subjects. His abilities were many, & his love for his family & friends, were first & foremost. Everyone who knew Leonard, will have many lasting memories of his charismatic personality, & of his just being a great person. Wishing all the best to everyone, Bert Montgomery*
