Gordon Family; Please accept our sincere condolences to your loss of Les Gordon. Over the years we enjoyed visiting with him and his sense of humor was inspirational. He often fished with my mother and father, (John Fiddler) at Whelan Bay and they had a wonderful time and the stories each time were greatly magnified of there success and the one that got away!

He was kind, funny and he loved life and his family and we will miss him.

I know losing someone who you love is tough to handle and hard to understand but his memory will live on through his family and everyone he came in contact with.

I know he is at peace and probably fishing with my Dad, mother and my brother Jim in a better place where the fish are biting.

Rest In Peace Les and God Bless.

“ My deepest condolences to Doris & all of the Gordon family. I have very fond memories of Les from growing up as an extra in his home and being invited to family get togethers, and also working for him at Calgary Power. He had a marvelous sense of humour & loved to tease, but he was also a wonderful father who was fiercely proud of his family. He will be greatly missed.
Love to you all. Dianne
