“ Dear Bruce, Bev, Donna and Families,  
We were sorry to hear of Linda's passing, but life for her has not been the same since Ren's passing. Although you have watched her health diminish, it is still very difficult to say that final good-bye. May your warm memories of the good times help to ease the pain of loss. And, may knowing that others care bring you comfort.

Sincerely,  
Terry and Patty Atkinson
