“ *Well grandpa.*

I married the love of my life yesterday; you have another grand daughter. I'm glad you were here in heart. She is an amazing bride and our day went amazing. We have welcomed another girl into the family but you welcomed her the first day.

We love you grandpa.

“ Lloyd was such a great neighbour and friend. I was always amazed when I would run into him in town or on our street and he would remember details about our kids and life. He was always quick to ask how you were, give big smile and one of those great chuckles he had. He made us feel welcome when we moved in and was always happy to offer up a hayride for the kids, and many sandwiches for our dog Rockett We will all miss your gentle kindness. Rest in peace sweet friend.

“ Dearest Alice, Although it's difficult today to see beyond the sorrow, may looking back in memory help comfort you tomorrow. Lloyd was called shorty, but he had a big impact on those who met him. I was pleased to talk with him on the phone or in passing. Lloyd was friendly, kind, and sincere. Miss you Lloyd.
