

## Mr. Lorne George Harris

May 15, 1940 - July 1, 2019

Mr. Lorne Harris of High River, Alberta passed away peacefully at the High River Hospital on July 1, 2019 at the age of 79 years. Lorne is survived by his loving wife Ann; children Gerald (Lori Dozois), Kenny (Roxanna), Keith (Terri) and Loree (John) MacDonald; grandchildren Braeden, Coleton, Jake, Andie, Jackson, Carter, Katie, Will, Sophie and Sarah; Siblings Mary Schlichting, Gordon (Terry) Harris and Carol Hodges. Lorne was predeceased by his parents Howard & Jean Harris; brother David (Emma) Harris; brothers-in-law Fred Schlichting and Art Hodges.

Lorne was born in High River and raised on the family farm south-west of Turner Valley, the town where he also attended school. Lorne then went on to finish his carpentry apprenticeship in Burnaby, British Columbia. Lorne met and married the love of his life and wife of 55 years, Ann Butcher in 1964. They spent 15 years in Kamloops, British Columbia before coming back in 1979 to make their permanent home in High River with their four children.

Ann and the family would like to extend a special thank you to the staff of the High River Hospital and the fantastic nursing staff on the second floor who are truly our angels on earth.

Because of Lorne's lifelong passion for kids' sports - memorial donations may be made to Jumpstart High River; a charitable organization providing financial

assistance to help kids in need play the sports they love.

“ Dear Ann. Leigh and I just got the news this afternoon about Lorne’s passing. We and our boys are so sorry to hear this sad news even though the outcome was expected. Lorne was a kind and gentle man, just like his brother Dave. We will always have fond memories of him in his cowboy boots and blue jeans in the sweltering heat of the Shuswap. I wish that we could have attended Lorne’s Celebration of Life today, but we were uninformed of his death and deeply sorry not to have been there. Our deepest condolences to you and your family.  
Bob, Leigh, Chris and Matt Cunes.
