Doug and I are truly sorry we were unable to attend Lorraine's Celebration of Life. We missed being a part of Lorraine's life and knowing her like so many others did, but know she was a beautiful person and that she brought joy to everyone around her and in all she did. Her family and her friends were very important to her and she enjoyed life to the fullest.

Our thoughts are with you and your family at this time Bill. We know Lorraine will be truly missed. Doug & Kate.
