

## Mrs. Lucille Ann Campbell

October 4, 1956 - August 3, 2024

Mrs. Lucille Campbell of Diamond Valley, Alberta passed away peacefully at home on August 3, 2024 at the age of 67 years.

My Beloved Lucy,

It was the Fall of 1956 in Winnipeg when you, my love, entered this world. But we wouldn't meet until the early 2000s. You were the 2nd eldest of 5 sisters. You would become hard working, loyal, happy go-lucky and stubborn in all the best ways. You regularly spoke your mind and showed everyone your smart-assed humour even until the end. Your love of flowers and gardening was prevalent. You travelled North and Central America and loved the heat, which is why you would often travel to Key West, Panama and Mexico. Speaking of Panama, music was always with you. Even when Cal was your companion, after I had passed in early 2011, the music was with you. I have sat here in the quiet of eternity since then. Awaiting you to return to me.

We were married in the summer of 2004 and even before then, you had always been my heart's truest companion, my confidant, and my greatest joy. Riding our Harley's together, listening to all the music, sharing all the laughs and sadness's together was the best of my life. I have watched over you with all the tenderness and devotion that I held in life. The strength and resilience you've exhibited and the love you continued to spread were nothing short of

extraordinary. Each day, I felt pride in your every triumph and shared sorrow in your moments of difficulty.

As you leave this realm and join me, your first husband Richard, your parents, and those before them, in the embrace of eternity, take with you the knowledge that our love is eternal. It is the flames that has kept me warm through the last decade, while awaiting you to finish what you have started in the world and to join me once again. Amy and Scotty will be happy to know that we are together again.
