“ Our sympathy and condolences to Janet and family. I was saddened to receive a phone call that Lyle had passed. Having grown up on a near by farm to Gladys Ridge and the Nash family I always enjoyed bumping in to Lyle when I was visiting in the High River area. I worked on a lot of drilling rigs so Lyle and me always had lots to talk about. I will always remember the humorist way Lyle talked about our lives.as we grew up.

“ Our condolences to Janet and her family on the passing of a Great Man and a Good Friend Lyle. I first met Lyle in the MacKenzie Delta when he was a Toolpush for Nabors Drilling and we became friends. Lyle was such a good humble person and we had many discussions about hockey because his boys were doing well and moving up the line. He was always interested in how my grandson was doing in his hockey career. I went and visited Lyle many times during his time in the hospital and he never gave up on one day being able to walk and go home. He was a fighter right to the end and I will miss him and great talks together. As a friend I loved this man. God Bless You Lyle

“ Deepest sympathy to Janet, Darrel, Danny, David, and families. Lyle was such a great friend to all of our family. Enjoyed get-togethers, lengthy visits at the Quill, helping with the High River Flyers, and coaching the Ladies fastball team. We could always count on Lyle to help in any way possible. Murray was so happy to be able to take Lyle on a tour of the Highwood Golf Course last summer which they both enjoyed. His suffering is now over.
God Bless.

“ To Janet and family, with Sympathy. remembering Lyle today with a smile because he always had one for me. Whether on the golf course 20 years ago, at the rink, passing in the street, or seeing him at Janet's art shows, Lyle would always ask, "how're you doing? What trouble have you been up to?" Then he'd chuckle. Thank you, Lyle.
