“ I will always think and remember Lynda as “the reader”. She could read for hours upon hours. This always fascinated me, how she could disappear into her books and totally shut everything around her out. We had many an adventure together in our youth and I will always cherish those memories. She was a beautiful, loving soul and will certainly be missed by all who had the privilege of being her friend. Sending all our love to you, Jason and family. May she Rest In Peace.
