“ As a neighbor and teenage chum of Wayne, I think she was called Doob more than Marilyn. Of course being the youngest, she got teased the most, but she knew she always had her big brother to protect her....

“ Although Marilyn and I did not spend a lot of time together, we were friends. Her Dad and my dad (Paul Bietz) worked together for most of their working years. I know Marilyn to be kind, humble, genuine and always happy to see you. Her Dad had a wonderful, infectious laugh. Marilyn also brought joy to those around her. I think of you Marilyn now, giggling with your father.

Thank you so much for your note and for sharing those kind words in remembrance of my auntie and my grandpa. I am the daughter of Margaret Rose 'Meg' Swanson (formerly Meyer), and I remember hearing many stories of Grandpa and your dad Paul. It is a small world isn't it? Thank you again for you taking the time to share your condolences Linda.

“ I have fond memories of Marilyn when we both lived in Banff and attended the Full Gospel Church there. Marilyn always had a positive attitude and was friendly to everyone. We will meet again in heaven.

Marilyn, sister to my friend Margaret Rose (Meg), was the prettiest, sweetest little girl. She, Meg and brother Wayne made up one of the nicest families of High River. They were all part of everything that was wholesome, good and kind. Marilyn is missed. May she rest in peace.

Marilyn was such a beautiful lady. We both grew up in High River. Our parents were friends. Her dad delivered gas to our farm. I moved to Banff in 1971 and got a job at the old Banff Hospital and was so excited when I found her working there! She took me under her wing and made me feel so at home in the new environment. Then later I attended Full Gospel Church and again having her there when I attended again gave me that "at home" feeling. Was so sorry to hear of her passing. 🙏

Marilyn's love & friendship has been such a treasure in our lives over 50 yrs. We have shared lots of laughter, visits in Banff, emails & texts. Connection was one of Marilyn's beautiful qualities which she shared so openly with us both as Banff summer staffers. She was part of our wedding party & cherished adopted aunt to our sons & their families. Her giving spirit & genuine smile will be remembered by all of us who were blessed to have her in our lives.
