“ Sending my love and strength to my family at this time. All of my thoughts are with my sweet grandma Marion. I will remember her as resilient and determined, but also very kind and warm. I remember her beautiful gardens and wicked sweet tooth, but mostly I will remember how she loved her family. I have lit a candle on the east coast during the funeral and have you all in my thoughts, especially grandpa. Hugs to you all and may she rest in peace.

Much love,

"My Little Mom", an inspiration to all, one who never complained about anything, and lite up the world with your smile. You helped me to be strong through more than one journey, always showed grace, determination, and kindness to each and every person you met. Never judged or spoke unkind of anyone, the greatest Mom a Daughter could ever have. I am so Blessed to have had you for 57 years of my life. Until we met again Mom, I Love You More, Your Brat Susan.

Of all the happy hours and laughter we shared we will cherish forever. I will miss my visits with her at the hospital and her little smile was always there, she still loved to sing and knew all the words to the old songs. Rest in peace dear friend, So glad we are able to be there with all of you at the service.

“ Dear Glen and family - your Marion will always hold a special place in my heart. She was the one person we knew who would make lemonade when given the lemons. Her smile lit up the room, and mom treasured her friendship as her 'roommate' . Going out to the garden area and seeing the beautiful spot will always be a reminder of the Eamor gift of giving.
