“ Our sympathy to all the Goller family. I had the privilege of working with Marion at the High River Hospital, we both started the same day and remained good friends as well as co-workers for many years. Since moving to Lethbridge I haven't kept in touch as much but still thought of her a lot. RIP Dear Marion

“ First met this lady in Medicine Hat as the family was struggling with her daughter's cancer and then her passing. This was one strong dedicated mom! Later, when they moved to the Tom Miller farm by Parkland, I had the pleasure of babysitting Jim and Tim. And she continued to be a fabulous mom that I greatly respected. As age and time progressed as it does for us all, I watched her and Len as they gracefully slipped into their senior years. It has been an honor to know this lady and I hold my precious memories closely. My heart goes out to you "boys" and the extended family. May spiritual peace find you and surround you in the coming days. Bonnie Henry

Dear Jim, Tim and Family

Saddened to hear of Marion's passing. Our deepest condolences to all as you go through this heartbreak of loosing your Mother. We first met Marion and Lenord when they moved to Medicine Hat from Saskatchewan. Many games of cards and coffee time were shared. Our family's grew together and we shared in the loss of Twila. We visited the farm in Stavely where life was simple and shared. Over the last few years after Lenord's passing we kept in touch by phone. Marion was a friend to everyone and we will miss her. RIP Marion.

Our thoughts and prayers are with you all.

“ Dear Jim, Tim and all members of Marion's Family,

We were shocked and saddened to see the notice of Marion's passing. We did not know that she had fallen this winter, so had no idea she was in hospital. We will always remember Marion as one who was ready to have fun, play a joke on someone, or have a laugh, yet she had a very tender heart toward anyone in need. Life for Marion has not been the same since the passing of first her daughter, Twyla, and then her husband, Leonard, but she made the best of whatever came her way and moved on. We knew Marion through Legion, originally at Legion camp outs. She was a tireless worker in the Nanton Legion Auxiliary. We will fondly remember Marion having a fun time at the Kimberley Old Tyme Accordion Championships, and the winter she spent in California and Arizona. May your memories of happy times bring a smile to you as well. You have many reasons to be proud of your Mom, and Grandma, and she was so proud of all of you. Her pride of her family was evident by the pictures she shared on Facebook of times spent with you, and of your accomplishments. It is very difficult to grieve with less in-person support due to the Covid-19 effect on the world, but may we offer our support to you at this difficult time through this memory.

Sincerely,

Terry and Patty Atkinson

“ I worked with Marion at the Hospital. She was one of my favourite people. She had a warm personality, always a smile and was very kind. She was a beautiful woman, inside and out. For many years after, if she spotted me somewhere she would always stop and we'd have a catch-up visit. My thoughts are with her family
