“ I had the honor of meeting this humorous and positive friend about 40 years ago. Every opportunity we've spent together was filled with memories that I will remember with smiles and appreciation. I am so lucky that three weeks before he passed away, we had the chance to meet up in Amsterdam.
Thank you so much for being my friend.
RIP Mark

A memory becomes a Treasure.
Treasure the Memories.

Memories are a legacy of Love.

“ *Mark’s stories, wisdoms, advice, and great sense of humour and adventure will live on to inspire all who had the pleasure of time with him.*

When you first walk up to Mark after some time, he would have this serious way that made me smile inside, knowing that he would crack into a big smile and a story or idea within minutes.

I’ve collected every moment shared to keep in my heart, Rest in Peace Friend.
