“ Dave and Cheryl, I am so sad that Marlene has passed. I prayed that she would go quickly and not suffer too long. She is in a much better place. We only knew her while she was in the Nursing home and she was a wonderful person, we were lucky to know her. We worked on jig saw puzzles and had nice talks. She was always making beautiful things all the time. She is going to be missed. Bless you Dave and your family. Harvey and Grace Schneider

“ *Too many memories to share but favourite one was the Drumheller week I spent with Marlene, we travelled and roomed together and spent late evening hours talking about life! As one of the founding members of WTP Marlene was always there to support us all in our dramatic pursuits! Spent many an evening enjoying Dave and Marlene's hospitality. I find comfort in the thought that she is now free from pain! Rest in peace!*
