“ Dear Lynn, Gordon & Suzanne:

Mom told us of Marvin's recent passing and we are very sorry for your loss. Mom also shared with us your email to her and how much Marvin suffered the last few months of his life. Like you saidhe is indeed in a better place.

Lynn you have been such a good friend to my mom over the years....especially when Leslie passed away. You were a tower of strength for my mom and she treasures your friendship very much.

I remember Marvin back in the days when him and dad coached Gordie and I in hockey. He was very passionate about the game and always gave it his best effort. Those were fun times and I do think about these things, now that I have had the opportunity to coach my own son. Man how the years have flown by. Mom keeps us updated with what Gordon & Suzanne are up to and congratulations on your new grandchild.

I hope we will be able to get together again one day so I can introduce you to my kids now that they are almost grown up. I remember many a day when I came home from school and you and mom would be having coffee in the living room or the one time when you helped us out in our new house and polished our basement lino so well that poor Henry (the dog) kept wiping out everytime he tried to make a turn or stop.

The Johnson family was very important to us when we were growing up and I will never forget that bond. Thank you all for being there and you know that we are there for you now.

Rest easy Marvin.....

Sincerely,

Cam, Susan, Leslie and Logan Jacques

“ *Hello Lynn, Gordon & Suzanne;*

I just found out that Marvin has passed away and am very sorry for your loss.

When I remember Marvin, I think of him in his trucking work, his great grin and how he loved watching and coaching hockey...I'm glad to hear he died peacefully, after enduring the pain he was in near the end.

And Lynn, I know my Mom will be wishing you much sympathy, as she thinks so highly of you and misses you a lot.

Take care,

Paul, Tara, Rowan and Meara Jacques

“*Dear Lynn and Family,
We were sorry to hear of Marvin's passing and wish to extend our sincerest sympathies to you. Marvin was a friendly guy who will be missed. Pride yourself in knowing that you enriched Marvin's life as much as he did yours. The coffee shop will be a little quieter as they all miss Marvin. May the difficult times you face now, and the lonliness of the days ahead be soon filled with the warmth of happy memories of good times you shared. Our thoughts are with you.*
