

Ms. Mary Ann Smith

July 8, 2024

It is with deep sorrow and much love that we mourn the passing of Mary Ann Smith, of High River, Alberta at the High River Hospital on July 8, 2024 at the age of 38 years. Mary Ann is survived by her mother Karen, her father Ross, sons Kaiden and Sloan, sister Rachel (Kelly), and her nieces Chelsea and Paisley.

Mary Ann was born and grew up in BC. She ventured out to Jasper, Alberta once she finished high school, making Alberta her new home ground. Mary Ann loved the outdoors, music, her friends, family, and pets. More importantly she vibrantly loved her two sweet sons, who were her motivation and purpose in life. She was a dedicated employee to her work family at Waste Management, enjoying the challenges of her exciting career. Mary Ann made new friends easily every where she went, leaving a lasting impression on each and every one, including capturing the hearts of the hospital staff. Many people would even say she is the strongest person they know. Mary Ann loved deeply and lived passionately. With a brilliant sense of humor she was hilarious and a joy to be around. We remember Mary Ann and her life so beautifully lived, her heart so deeply loved.

“ I was lucky enough to hold space for her in her pregnancy and delivery and postpartum with Sloan. I saw her last year at the pool years later and got to see the boys and have a great hot tub chat with her. We made plans to get together and now just heard of her passing. I am devastated for her boys. Sending her family so much love. She was such an amazing person and I am so lucky to have known her.
