“ We were in the Air Services unit of the RCMP together. Mike was stationed in Inuvik and I was in Yellowknife. Mike was always the consummate professional and it was obvious in his work site, aircraft and the way he interacted with us. Condolences to Georgette and all of his family.

“ Owen Maguire

Mike and myself grew up in Ottawa. I went to High School with his older brother. We met on the Highwood Golf Course and I found out we lived close by in High River and both had served in the RCMP. We played Golf with the same Snips Golf Group and when I became ill and could not Golf anymore we had regular phone conversations to keep in touch. He was a true friend and will be greatly missed
