

## Mr. Michael David Sailer

May 6, 1959 - April 29, 2026

Mike was born in Vanderhoof BC to Gordon and Marie Sailer. He was the youngest of 5 children. His siblings are Valerie, Sharon, Brian, and Lorne. He lived in several different places between Alberta and BC.

It was in a small town in BC in 1979 that he met Brenda, and in 1981 she became his wife. In the years that followed they welcomed 4 beautiful children Tenneille, Desmond, Krystal, and Natasha. In 2005 he became a proud grandpa to Malikai.

He was a Heavy Duty Mechanic, Welder, and Millwright, and always found employment to care for his family. Life was busy, but never too busy to spend time with his kids. If it was playing on the floor with them as babies, to coaching soccer he was there.

Mike enjoyed fishing, and hunting, and his family were always included in his adventures. In 2022 Mike built a beautiful fishing boat and spent time with his family ocean fishing in Sooke BC. He was more than what a few paragraphs can say about him.

He was deeply loved and adored by his family, and others who knew him. He will be forever missed. Left to love and remember him forever are his loving family, who were so blessed to have him as their husband, father, grandfather

and brother.

Until we see you again.

A Private Family Service will be held. Caring for the family is Lyle Reeves  
Funerals of High River (Craig Snodgrass) 403.652.4242.

MR

“ Dear Brenda and Family,  
Our sincere condolences for your loss. We were so surprised and saddened to hear about your Mike. Thinking of you at this very difficult time.

“ I remember Mike as a loving happy man, always with a smile and a twinkle in his eye. Mostly kind and caring but would not hesitate to fight for his family or beliefs. I particularly remember 1978, when the Endako Mine had the big strike, Mike, Lorne and myself all got jobs at a sawmill in Houston. We were all staying in Burns Lake with Mike and Lorne's parents. We had many memorable trips back and forth to work. That fall we all headed out for a weekend hunting trip that got extended to 5 days. Showed up at the ferry towing one vehicle, another one had a mirror ripped of and a dented door but we had a moose in the back! Work was not to pleased with us. That was quite a summer. Then later on to be blessed with being best-man at yours and Mike's wedding, what great couple. We wound up not seeing each other for quite a few years then one day Mike and Brenda showed up in Powell River for a surprise visit, what a great gift that was. So grateful to for the opportunity to be a friend and to have these memories to carry with me. Much love to you Brenda and to the family, you all carry him with you ❤️
