“ So sad to read of your Moms passing...I have many many Great memories of your home on Southwood Drive...such a big family but there was always room for all of your friends..I spent a lot of time as a kid in your home and always remember your Mom being so welcoming and such a hard hard worker...I am pretty sure sometimes she would have loved to strangle Loretta and I but she just alway made me feel at home..... She will be missed..and remembered.
