

Mrs. Nadine Joy Barbara Hatherly

May 6, 1946 - September 29, 2021

Mrs. Nadine Hatherly of High River, Alberta passed away at the High River Hospital on September 29, 2021 at the age of 75 years.

Nadine Joy was born in Halifax, NS to Charles and Bea Hatherly. Predeceased by both parents and her husband, Mickey, she is survived by her sister, Patricia, her daughter, Laura, and her beloved grandsons Max (Lacey), Samuel and Joseph.

Nadine loved to be creative and shared that passion for many years as a platform colour technician across Canada and as a hairdressing instructor at Selkirk College in Nelson, BC. She was always eager to share her knowledge and help other women look and feel their best.

Early bird swims at the pool, practicing tai-chi, riding her Harley, enjoying cozy fires and spontaneous road trips were some of her passions. She loved being in the mountains, especially the Kootenays. She discovered Jeremiah 29:11 at a ladies retreat many years ago and held onto that as a personal promise. "For I know the plans I have for you, declares the Lord, plans to prosper you and not harm you, plans to give you a hope and a future."

"For now we see in a mirror dimly, but then face to face. Now I know in part; then I shall know fully, even as I have been fully known." I Cor 13:12

“ Pat, I know you made Nadine so very happy when you moved into the suite below her. You two were able to spend quality time together as sisters and as friends. She was lucky to have you and she knew it and greatly appreciated it. It also made Laura worry less about her momma with her Auntie Pat there. Condolences to you Pat my dear friend and to you also dear Laura. She sleeps without pain now.

“*Aunty Nadine, my "Other Mother"... I haven't seen her in many years, but, she was always on my mind. We clicked (her words, and I agree) back in '76, when she and Uncle Mickey were babysitting my brother and I. I remember I had a cold, and all I wanted to do was snuggle with her. Feisty, kind, stubborn, loving, and strong, are only a few words that come to mind when I think of her. She had the best smile that you could feel lighting up a room. Rest Peacefully.*

“*As some of you know I first met Nadine when I was hitch hiking in Vancouver. We were 23 and trusted everyone. So I took her and her traveling companions home with me. Many years later I visited Nadine in Nelson, she shared with me her secret spot on the lake with a waterfall. I will miss you my friend, glad I got to say goodbye.*
