

Mrs. Nancy Ann Morrison

July 9, 1955 - May 27, 2023

Mrs. Nancy Ann Morrison of Foothills County passed away peacefully at the High River Hospital on May 27, 2023, at the age of 67 years. Nancy is survived by her husband Daniel Morrison; sons Travis (Christine) and Tyler (Tania); grandchildren Kolten (Gabrielle), Tessa, Aleesa, and Benjamin; brother King Cameron; aunts Joan Cornish and Gail McPeak; nephew Levi Cameron (Brianna), and great-niece Averie. Nancy was also survived by numerous cousins, nieces, nephews, and great-nieces. Nancy was predeceased by her parents Grant and Denzil Cameron.

Nancy was born in High River and was raised on her family's farm outside of Cayley. Nancy loved the farm where she especially enjoyed helping with the cattle, participating in 4-H, and riding horses. Nancy often shared stories about the fun that she had travelling and camping with her family as a child. After graduating from Olds College, Nancy returned to the High River area where she started a family and continued her involvement in agriculture. Later in life, Nancy enjoyed travelling with her husband Dan, spending time with her kids and grandchildren, and spending time on the golf course with friends.

Nancy's generous and caring personality, and way of living will be missed by all who knew her.

Memorial donations can be made to the High River Hospital Foundation: 560

“ I struggle to find the right words to express my thoughts on Nancy's passing - rest in peace my friend, you won't be forgotten! My heart goes out to you Dan, and to your family that you created together. I only know of you through Nancy after getting reacquainted at the Nanton golf course over the years. I did learn she cared deeply about you all! Our connection started many years ago through school, 4H and other events in our little community of Cayley - those roots stayed with me! I will miss your smile and wave from your golf cart while sitting next to your long time golf buddy on ladies night!

“ We had so much fun on the golf course but memories of lunch at The Dining Car still make me giggle. She looked so pretty that day and I was going on about how great her hair looked. She looked at me and said, “You know it’s a wig, right?” Well it was a great wig! Will miss looking out my window and waving to her (inside joke).

“ *My sincere condolences to Dan and her beloved boys! I met Nancy through the game of golf; a sport we paid money for the joy of a good shot or the frustration of one we'd like back. Most importantly golf allowed us to gather, and share our stories knowing a laugh would and could be shared. Nancy, soar high on soft breezes, warm your sole on the light of the sun, and peacefully rest knowing you brought life to this earth.*
