

## Mr. Nathan Phillip Duncan Gosick

December 9, 1979 - January 28, 2024

Nathan is no longer with us after a tragic car accident near Okotoks, on Sunday, January 28.

He is survived by Jacquie Phillips and their four beautiful children: Marley, Finn, Kohen and Illey; his mother Bev Taylor; father Eric Gosick; his sister Alyx Taylor and partner Cassandra Mawer. Nathan was predeceased by his stepfather Chuck Taylor. He also leaves behind aunts, uncles, cousins and many friends and co-workers.

Nathan was a carpenter by trade and that was his passion, aside from his children. He was hard working, kind and full of energy. Nathan's emotions ran very deep. He is well known in the area for the houses he built; he started his trade building beautiful log homes in Bragg Creek and never looked back. Nathan had a wild sense of humour and was always up for fun. He was a great cook and grilled a superb steak. Anyone will tell you that Nathan would give you the shirt off his back; he was that kind of guy and will be greatly missed by all who knew him.

In lieu of flowers, a donation can be made to a charity of your choice at Lyle Reeves Funeral Home in High River, Alberta and any stories or memories can be posted there as well.

On June 30th, a celebration of his life will be held at the gazebo he built in George Lane Park, High River. At this time we will also be dedicating a bench and an apple tree in his honour.

Caring for the family is Lyle Reeves Funerals of High River (403.652.4242).

“Nathan spent a lot of time hanging out at our home in Bobcaygeon with our son when he was young. He was a pleasure to have around with his quick wit, even back then, and the best smile. One of my fondest memories is when a particular elderly aunt of mine would visit us and Nathan was there she would always, always come up to him and pinch his cheeks. The look on Nathan's face was priceless! But he put up with it. He's left you all way to soon. Our condolences to you Bev and to his wife and children who I never had the pleasure to meet. Our hearts are aching for you all.
