“ I am so glad we were able to meet you! The love you shared with Tanya was so apparent and radiated from you both. I am glad that you both were able to find true love before you were taken so suddenly. Your smile was as fast as your wit and your laughter rang through a room. We were truly blessed to be touched by you in life and know you will forever be there in love for Tanya and your family. Our love is with you all today.

“ Memory of you will always live on, am still in disbelief because we both grew up in the same neighborhood Fairy Hill in Portland Jamaica, growing we all used to play cricket Football (Soccer) together so you were like family and when I heard I just couldn't believe, but God knows best I know your in a better place, Rest in Peace Nicholas Hamilton o/c Nick Pedla
