“ Alena, I only saw Nick's obituary recently. Maureen passed away on December 20, 2015 and I was trying to locate you both to let you know. I am very sad that Nick is no longer with us, the four of us had good times together and I will always remember Nicks laugh and that crazy fence we built at # 44 after " a few cocktails"I hope you are ok. I'm not sure if you will see this message, you can reach me at 14165874777. Spence Howard, Milton, Ontario.

“ To Koss family,
I knew Nick through our mutual enjoyment of the game of golf. He was always a periodic welcome addition to our foursome. He always seemed to enjoy the joking and banter between the four of us during play. We were troubled by his struggle with protracted health issues that kept him from joining us on the links over the last couple of years. He is and has been missed. Our condolences to the family.

“ Nick was one of my favorite members of the Senior Men's golf league in Okotoks. He always had a smile, joke or a little hug for me each week. It's been quite some time since I last saw him, but I will always remember that smile. My condolences to you all.
