

Mrs. Nora Mildred Zebedee

May 7, 1930 - August 27, 2022

Mrs. Nora Zebedee (nee: Pallister) - Mom passed away early in the morning on August 27, 2022 while being held by her family. She is lovingly remembered by her children; Beverly (Don) Way, Lorna Zebedee (Duane Vincent), Betty (Bob) Thompson, Linda (Dale) Longson, Wendy (Stephen) Scott, Gwen (Peter) Schmidt, Daisy (Derek) Schaab, Cory (Rhonda) Zebedee, 16 grandchildren, 19 great-grandchildren, nieces, nephews, friends and her brother Allan Pallister. Nora was predeceased by her husband Frank in April 2007.

Nora was always there for the people she loved making everyone feel special and treasured. It was so important for Mom to keep family close, and she loved to display photographs of her family on the walls and on shelves in her home. For decades Mom maintained a large garden, growing vegetables and flowers even winning the best vegetable garden in High River. Mom also really enjoyed baking and we will miss her buns and cinnamon rolls.

To honour Nora's request there will be no funeral.

In lieu of flowers, the family would appreciate your support by making a donation to the Foothills Country Hospice Society. Please contact Chantal at cvanburen@countryhospice.org .

“ *Nora was such a beautiful lady & a bright, happy spot in my weeks. I loved our chats & her way of looking at things that happen in our world! Often we thought we had all the problems solved but still enjoyed the banter. I will miss her greatly & will always appreciate the wisdom & love she showed & was known for! Rest for now Sweet Nora!*

“ *To all of Nora’s family
My condolences to you. Nora babysat my kids for a time. They still remember going to the door and the 2 birds would come around the corner and one them would say “hello”. Nora was a lovely lady so gentle and kind. She always had baking on the go when the kids were there. I am thinking of all of you and know there are so many memories of her to share amongst you all when gathering together.
Sincerely

“ I met the Zebedee family when they moved here. Bev and Lorna were the new kids in the class - Grade 7 I think. The thing I remember were the days she made homemade doughnuts and if we dusted the cooked doughnuts we got to eat the doughnut holes. My thoughts are with you all. She was one of the best mom and woman I have ever met.

My deepest sympathy to all Aunty Nora's family . As a little girl she was like a second mom to me ,even tho she had at the time, 7 girls of her own . I remember the smell of fresh baked goods and floor wax ..she kept her home spotless ..Uncle Frank would pile us girls in the old station wagon and take us to the Little Bow Confectionary store and buy us treats (probably to get us out of Auntys hair for a bit) ..i remember her smile and her little giggles .. these memories i will hold in my heart always . R.I.P Aunty . You will be so missed and always loved by all who knew you .. May all her children ,grandchildren and great grandchildren find comfort and know how blessed you were to have her .

“ I have fond memories of Nora visiting with brothers and sisters at the family reunion in 1969 at sister Daisy and Charlie King’s farm at Black Diamond. Both Daisy and Nora were great gardeners and delicious cooks. That was a day to remember as the original Pallister family gathered for a photo-13 of them, and I think 56 in the photo!

That photo is now a precious memory. Love and hugs to all of Nora’s girls and Cory ! I remember how special it was to FINALLY have a boy in the Zebedee family.

Condolences to you all and hugs from Auntie Joyce Pallister-Bronsch.

“ Dear Wendy and all the Zebedee family, so very sorry to read about your moms passing, I remember well when I was young and going to Wendy’s house everyday and Nora would be baking bread, buns etc etc, the smell was marvellous..then we would steal a cookie or cinnamon bun and Nora would chase us out of the kitchen with a wooded spoon and a smirk 😏, Nora was such a lovely woman.

“ Dear Lorna - thinking of you and your family at this time, you always had such fun stories of your mom to share when we worked together. It is never easy to lose our mom's; they know the beat of our hearts. The clock of life is wound but once and no one knows at what hour the hands will be still.
