“ *I had the good fortune to work with Noreen for over 13 years. Man, we had some good laughs. I will that smiling face and those big blue eyes. We had a lot in common, especially the fact she is from the same small town in Manitoba as my mother in law. Noreen was a kind soul and she was a good friend and work mom to us all. Rest easy, Blue eyes... we all miss you and will never forget you.*

“ I love you and miss you so much already. You took me in when I moved to Calgary. Our children spent many years together. And were very close... especially in their crimes of the time. Always a handful both of them. Lol!
But you raised your son well and he is a beautiful person because of you. Rest easy Noreen! As I told you in time he will be okay. He has the love of a another strong woman just like you.
Love you always Noreen. 💖😭😭
