

Mrs. Norma Dale MacDonald

March 20, 1957 - July 1, 2020

Norma MacDonald of High River, Alberta passed away at the High River Hospital with her family by her side, on July 1, 2020 at the age of 63 years. Norma is survived by her loving husband of 38 years, Fraser, and daughter, Alexandra (Adam) Nagy.

Norma was born in Empress, Alberta in 1957 to Evelyn and Nicholas Bozak, and grew up in Acadia Valley with her siblings Anita, Neil, and Natalie. She attended the University of Lethbridge and the University of Alberta, earning a Bachelor's Degree (1978) and a Master's Degree in Arts and Sociology (1981). After graduating, she moved to Fort McMurray working briefly for Employment and Immigration Canada, before joining Keyano College, where she enjoyed a 27-year career providing academic, career, and personal counselling for students. In 1981, she met Fraser and they married in 1982, and a year later they welcomed their daughter, Alexandra, who was the most important part of her life. Norma made many lifelong friends in Fort McMurray, and enjoyed spending her time gardening, reading books with her daughter (skipping the chapters where the dog dies), following her favorite hockey players (Orr & Lindros), and having coffee with her friends.

In 2009, Norma and Fraser retired to Southern Alberta to be closer to their daughter. They lived in Okotoks, then High River where they met even more great friends. They spent their retirement summers gardening and camping,

and the winters travelling to warmer climates, where Norma loved watching the local wildlife; memorable trips included Hawaii, Costa Rica, New Zealand, Australia, Fiji, Arizona, and numerous trips to Nova Scotia.

The family would like express gratitude for the amazing support and care received throughout the past year and a half, especially the staff from the High River Hospital and Cancer Clinic, and from their many friends and neighbours.

A private family memorial will be held at a later date. Memorial donations in Norma's honour can be made to the Leukemia & Lymphoma Society of Canada

Caring for the family is Lyle Reeves Funerals of High River (Craig Snodgrass) 403.652.4242.

“ Sending my sincerest sympathies of the much to soon passing of Norma. I only learned about this today and I just feel such incredible sadness. I lived 2 houses down from the Bozaks and Norma and myself were in the same grade. I remember her inviting me over to play with our barbies, and when we went into her room she had this huge poster of Bobby Orr above her bed. That was my first teaching of what it was to be a true fan. She had so much energy, a beautiful smile and always a twinkle in her eye. And so smart!!! Norma I know you will be so missed, and you were taken far to young. May you rest in peace my dear friend. Sincerely Shelley Lund

“ My sympathy to Normas Husband and Daughter. I as well went to school in Acadia Valley and was in the same grade as her in school. We shared many good times together with classmates back then. I remember her most for her love of the Boston Bruins, Bobby Orr and Lanny McDonald when he was a Medicine Hat Tiger. Rest in Peace Norma and I hope to see you again way up high some day.

“ It is with heavy heart we learn of Norma's death. Although I did not have the priviledge of staying in touch with her over the years she will for ever be in my heart for all the creativity, knowledge and compassion she brought with her when she joined Mom and me at The Oyen Echo so many years ago. I will remember her fondly. Condolences to all of her family.

Although we only knew Norma and Fraser for a short time we enjoyed their company and got to know a lot about their lives. We met them on a cruise in Australia in 2018 and spent the two weeks with them and all had a great time. We have kept in touch since then and had planned to eventually meet up either in Canada or maybe another cruise. We were so sad to hear of Norma's passing and our thoughts are with Fraser and his family.

Fraser, It was such a shock to hear of Norma's passing. We had such a great visit on the phone and later when you both brought Anita to her final resting place. When we were younger, I remember that she was a quiet girl that always had a beautiful smile and an enchanting laugh. she was always nice to everyone. There is no doubt that her star will be shining bright and beautiful for all eternity! Our family sends you and your daughter our prayers and we want you to know that the pain is so strong now but with time it shall ease. We never forget the ones we love and lose, they are in our hearts forever.

To Neil(Debbie) and Natalie (Gael), losing a sister like Norma must be extra hard. Our condolences to you and your families as well. Keep your memories of her close and she will never totally leave you, she will be waiting for you on the other side
