“ I’m so saddened and still in disbelief that my friend Pat passed on. We shared so many good times together , we talked for hours on the phone and went to our favourite place together shopping (Cross Iron Mill) I could call her last minute and she always was ready to go. Her favourite Place of course was Indigo & The Fossil Store.
Going to miss her terribly
We spend lots of years working together at Symcor until my retirement in 2009 and startet a close friendship right after.
R.I.P my friend ❤️
